**CHAPTER 1: PROJECT BACKGROUND.****AMRUT MISSION**

Atal Mission for Rejuvenation and Urban Transformation (AMRUT) has been launched by the Ministry of Urban Development, GOI on 25<sup>th</sup> June 2015 with the purposed (a) to ensure that every household has access to a tap with assures supply of water and a sewerage connection; (b) to increase the amenity value of cities by developing greenery and well maintained open spaces (e.g. parks); and (c) to0 reduce pollution by switching to public transport or constructing facilities for non-motorized transport (e.g. walking and cycling).

AMRUT believes that the infrastructure creation should have a direct impact on the real needs of people, and hence, focus should be on infrastructure creation which has a direct link to provision of better services to people.

Besides, a sound institutional structure is the foundation to make Mission successful. Therefore, Capacity Building and a set of Reforms have been includes in the Mission to enhance the transparency in services delivery by the ULBs through improving governance. Reforms will lead to improvement in service delivery, mobilization of resources and making municipal functioning more transparent and functionaries more accountable, while Capacity Building will empower municipal functionaries through augmenting their skills as well as knowledge and lead timely completion of projects.

AMRUT also actualizing the spirit of cooperative federalism through making States and ULBs equal partners in planning & implementation of projects, as the plans (Action Plans) have to be prepared every year and will be approved for a year, instead of project-by-project sanctions.

- Is there any observation from the GoI regarding the claims made?

*It was stated in the Sanction letter from the Ministry that the GoI share, along with the State matching share should be released to the ULB within 7 days, as per AMRUT guidelines*

- List out the conditions imposed by the Apex Committee, State HPSC and the SLTC. Have all the conditions been complied with? If, no identify the conditions not complied with and give reasons for non-compliance.

**The following are the conditions made by the Apex Committee, while approving the SAAP for the year 2015-16:**

1. The works are to be executed through the ULBs. In case, the work is to be executed by parastatals, the conditions laid down in AMRUT guidelines should be strictly followed (para 8.1).
2. Land for the projects should be available and no project/s which do not have land should be approved by the SLTC.
3. Re-cycling & reuse of water to reduce NRW.
4. State Govt. to explore convergence of fund between AMRUT and other schemes as per guidelines.
5. Estimates in SAAP should be as per State Govt's SOR and not market rate.
6. Steps to avail reforms incentives to be taken and the same have to be sent to TCPO, by the State Mission Director.
7. No incomplete JnNURM projects should be taken up under AMRUT.

**STATE ANNUAL ACTION PLAN** | **2016-17**

**Chapter 3: STATE ANNUAL ACTION PLAN (SAAP)**

In the SAAP 2016-17 projects of all sectors are proposed. They are (i) WaterSupply and (ii) Sewerage & Septage management (iii) Drainage (iv) urban Transport and (v) Parks & Green Spaces. The Master Plan of the projects is filled up as per the format given in Table 3.1 of the guidelines and the same is enclosed with this report. The state level service plan to achieve the benchmark is filled up in the format given in Table 3.5 and the same is also enclosed in the Tables section of this report. The following table gives detail of the project, estimated cost with GoI and State share.

Sl. No	City name	Project name	Estimated cost and share			Change in service levels				
			GoI	State	ULB/ Others	Total	Indicator	Existing	After project completion	
1	Itanagar	Waters supply	45.00	5.00	00	50.00	1. Household level coverage of direct water supply	85%	100%

**I. PRINCIPLES OF PRIORITIZATION**

The schemes proposed in the SAAP are prioritized and recommend for selection under AMRUT (AMRUT Guidelines; para 7). The States has identifies project based on gap analysis and financial strength of ULBs.

- Has consultation with local MPs/MLAs, Mayors and Commissioners of the concerned ULBs been carried out prior to allocation of funding? Give details of dates and number of participants.

*Yes, the State government and Itanagar Municipal Council are consistently consulted. Stakeholder consultation is a continuous process which will be continued during the implementation and monitoring of all projects throughout the mission period.*

- Has financially weaker ULBs given priority for financing? Please give list.

*Does not arise, as Itanagar is the only AMRUT city in the State of Arunachal Pradesh.*

- Is the ULB with a high proportion of urban poor has received higher share? Please give list.

*Does not arise, as Itanagar is the only AMRUT city in the State of Arunachal Pradesh.*

- Has the potential Smart cities been given preference? Please give list.

*Recently, government of India has selected Itanagar city for coverage under Smart City Mission.*

- What is the quantum of Central Assistance (CA) allocated to the State during 2016-17?

*The total quantum of Central Assistance (CA) allocated to Itanagar during 2016-17 is Rs. 42.00 crores. Out of which, Rs. 8.40 crores is to be released as first instalment on SAAP approval and Rs. 1.12 is for A&OE.*

- Has the allocation to different ULBs within State is consistent with the urban profile of the state?

*Does not arise, as Itanagar is the only AMRUT city in the State of Arunachal Pradesh.*

**2. IMPORTANCE OF O&M**

It has been observed that ULBs pay little attention to the operation and maintenance of infrastructure assets created after completion of projects. This tendency on the part of implementing agencies leads to shear loss off national assets. Please fill out the Plan of action for A&OE expenses given in Table 4 (pg-48) of AMRUT Guidelines and answer the following questions.

- Do projects proposed in the SAAP include O&M for at least five years? What is the nature of O&M?

*Yes, Projects proposed in the SAAP includes O&M for 5 years. The State has decided to consider O&M of 5 years of every project as integral part of the original contract so that the agency/contractor that developed the assets shall be responsible for O&M of the same for 5 years period. The O&M cost shall be borne by the ULB's through user charges/ incremental hikes in property taxes. If there will be any gap in recovery of user charges, the same shall be borne by the State through its own resources.*

- How O&M expenditures are propose to be funded by ULBs/ parastatal?

*O&M expenditures of the assets created are proposed to be funded through recovery of user charges, imposition of incremental hikes in property taxes, involvement of private parties in PPP etc. Any gap shall be borne by the State through its own resources.*

- Is it by way of levy of user charges or other revenue streams?

*Yes, mainly through levy of user charges and incremental property tax increase.*

- Has O&M cost been excluded from project cost for the purpose of funding?

*Yes, O&M cost has been calculated under project cost and excluded to calculate SAAP.*

- What kind of model been proposed by States/ULBs to fund the O&M? Please discuss.

*State has proposed to recover O&M by ULBs through imposing user charges and incremental property tax increase. The gap, if still remains, shall be filled through ULBs fund/State support.*

- Is it through an appropriate cost recovery mechanism in order to make them self-reliant and cost-effective? How?

*State has proposed to recover O&M through the ULB through imposing user charges and incremental property tax increase. Any deficit will be addressed by the State.*

**3. REFORM IMPLEMENTATION**

In order to become eligible to claim the 10% incentive, the State is required to implement the Reforms prescribed by GoI. The states are also required to a self-assessment and based on the score the Apex committee will decide the eligibility of the state. Please fill out Table 5.2; pg. 52 of AMRUT Guidelines and respond to the following.

The criteria considered while preparing the SAAP are:

- Fill out the tables prescribed by the TCPO. What are the Reform type, steps and Target for 2016-17?

*The Reforms Table prescribed by the TCPO (in PERT format) has been prepared and was included in the previous SAAP. The same is also enclosed with this SAAP. The Reforms types for 2016-17 are:*

Type	Steps	Implementation Timeline (Base year 2015)
<b>E-Governance</b>	1. Coverage with E-MAAS (from the date of hosting the software)	24 months
	• Registration of Birth, Death and Marriage,	24 months
	• Water & Sewerage Charges,	24 Months
	• Grievance Redressal,	24 months
	• Property Tax,	24 months
	• Advertisement tax,	24 months
	• Issuance of Licenses,	24 months
	• Building Permissions,	24 months
	• Mutations,	24 months
	• Payroll,	24 months
	• Pension and e-procurement	24 months
<b>Constitution and professionalization of municipal cadre</b>	1. Establishment of municipal cadre.	24 months
	2. Cadre linked training.	24 months
<b>Augmenting double entry accounting</b>	1. Appointment of internal auditor.	24 months
<b>Urban Planning and City Development Plans</b>	1. Make a State Level policy for implementing the parameters given in the National Mission for Sustainable Habitat	24 months
<b>Devolution of funds and functions</b>	1. Implementation of SFC recommendations within timeline	18 months
<b>Review of Building Byelaws</b>	1. State to formulate a policy and action plan for having a solar roof top in all buildings having an area greater than 500 square meters and all public buildings	<b>Incorporated in Arunachal Pradesh Building Bye-Law 2010.</b>
	2. State to formulate a policy and	<b>Incorporated in</b>

	action plan for having Rainwater harvesting structures in all commercial, public buildings and new buildings on plots of 300 sq. m & above	<b>Arunachal Pradesh Building Bye-Law 2010.</b>
<b>Establish and operationalize financial intermediary- pool finance, access external funds, float municipal bonds</b>	1. Establish and operationalize financial intermediary- pool finance, access external funds, float municipal bonds.	18 months
<b>Credit Rating</b>	1. Complete the credit ratings of the ULBs.	18 months
<b>Energy and Water audit</b>	1. Give incentives for green buildings (e.g. rebate in property tax or charges connected to building permission/ development charges)	24 months

- Fill out Table 5.5 (pg. 54) given in the AMRUT Guidelines. What is the outcome of the self-evaluation done for reporting progress on reform implementation in order to receive the 10% incentive?

*The outcome of the self-evaluation is- 09 out of the 28 milestones (32 percent) were achieved during 2015-16. The State could not reach 70 percent for claiming 10 percent incentive. During the year 2016-17, 13 milestones are listed, the state government and ULB's shall try to achieve 70 percent by end of the current year to claim the incentive.*

- Have any issues been identified during the review by HPSC on Reforms implementation? What are the issues?

*No issues regarding Reforms were identified/ highlighted by the SHPSC.*

- Have these issues been considered while planning for reform implementation? How?

*Even though, the SHPSC had not yet identified/ highlighted any issues related to Reforms, the SLNA and the Itanagar Municipal Council are working out mechanisms to implement the Reforms as per the timelines. The implementation of Reforms for previous year 2015-16 could not meet the target, but for the year 2016-17, it is envisaged to achieve the Reforms along-with the carry-over milestones of the previous year.*

**4. ANNUAL CAPACITY BUILDING PLAN**

The state is required to submit a Capacity Development Plan along with the SAAP for approval by the MoUD, to empower municipal functionaries and lead to timely completion of projects. Please prepare the individual and institutional capacity building plan by filling out Tables 7.2.1, 7.2.2, 7.2.3 and statement in Table 7.2.4 (pgs. 70 – 72) of AMRUT Guidelines and give the following responses.

- What is the physical and financial Progress of capacity development at state level?

*The Government of Arunachal Pradesh has approved Administrative Staff Collage of Hyderabad as training institute for imparting training to ULB's. The MoA will be sign between the State Government and Administrative Staff Collage, Hyderabad within November' 2016. Thereafter, the training programme as per SAAP will be done.*

- Do you feel that there is a need to include any other category of official, new department or module?

*This can be ascertained only after the training programme start.*

- What are the issues that are been identified during the review?

*There has been no review.*

- Have the activities in your current year Capacity Building Plan – training, exposure visits (ULB staff and elected representatives), seminars/workshops, etc. – been vetted/approved by NIUA?

*The State government has already selected Administrative Collage of India, Hyderabad for imparting training under Capacity Building Programme. The Administrative Staff Collage of India, Hyderabad will prepare the capacity building plan for the current year. On finalized of training programme by the State Government and the ULB, the same will be sent to NIUA for vetting.*

- What is the present institutional capacity in the ULBs of the state; have the RPMC, UMC, etc. been appointed? Are there other PMUs, PIUs, etc. which are still operational?

*The state government has initiated process to constitute SMMU by re-aligning Capacity Building programme under AMRUT and Smart City. It is proposed to constitute SMMU by the end of November' 2016.*

- What has been the progress during the previous year/s in institutional capacity building, especially but not only in the seven areas that are mentioned in the AMRUT Guidelines?

*In the previous year, there was no training programme or any exclusive activity for capacity building.*

- Attach the Quarterly Score Cards on p. 73 of the Mission Guidelines

*The same is attached as Table 7.3 and 7.4 with this report*

- Have those issues been addressed? How?

*The issues will be addressed by State government and ULB's in different level of interaction.*

#### 5. A& OE

The 10% allocation for A&OE has been divided into two parts, 8% State fund and 2% GoI fund. Please fill out the Plan of Action Table given in the AMRUT Guidelines (Table 4; pgs.48, 49) and answer the following questions.

- What is the committed expenditure from previous year?

*The committed expenditure from previous year 2015-16 is Rs. 0.89 crores.*

- What are the issues that are been identified during the review?

*There are no issues identified till now.*

- Have the A&OE fund used only for admissible components?

*The fund for A&OE is not yet utilized. However, as and when it is utilized, it will be only on the admissible components, committed in the previous year's SAAP.*

- How the ULB/State wants to carry out the implementation of the projects, (establishment of IRMA/PDMC/SMMU/CMMU)?

*The State Government, through the SLNA (Department of Town Planning & ULB's is in the process of establishing a PDMC, SMMU. A draft RfP for the purpose has been prepared and will be released shortly. After the implementation of the projects under SAAP 2015-16, IRMA will appointed for monitoring the works independently.*

#### 6. FINANCING OF PROJECTS

Financing is an important element of the SAAP. Each state has been given the maximum share that will be given by the Central Government. (Para 5 of AMRUT Guidelines). The State has planned for the remaining resource generation at the time of preparation of the SAAP. The financial share of cities will vary across ULBs. Information responding to the following questions regarding financing of the projects proposed under AMRUT, in words has been indicated below:

- What is the State contribution to the SAAP? (Should be greater than 20 percent, Para 7.4 of AMRUT Guidelines)

*As per the central notification no. O.M. No. 14551FD-II/FD/2016 dated 16.02.2016 The funding patterns for 8 North Eastern State and 3 Himalayan state would be 90:10. Therefore, Arunachal Pradesh, being one of the North-Eastern States of the country, the State Share under AMRUT is 10 percent of the total project cost.*

*The state government shall bear the 10 percent share of all the project cost.*

- Fill out Table 3.4 at pg.45 of AMRUT Guideline. How the residual financing (over and above Central Government share) is shared between the States, ULBs?

*Table 3.4 is filled up and enclosed. The cost for the projects posed in SAAP 2015-16 was inclusive of 1 percent labour cess and 3 percent contingency charges only. The additional cost due to mandatory chargeable levies of the State Government shall be borne by the State from its own resource. Projects proposed in the current year 2016-17 SAAP will also follow the same procedures.*

- Fill out Table 3.3 at pg 44 of AMRUT Guidelines. Has any other sources identified by the State/ULB (e.g. PPP, market borrowing)? Please discuss.

*Table 3.3 is enclosed for 2016-17 year projects. The source of fund identified is only through GoI share (90 percent) and the matching State share (10 percent). No other sources like ULB's own fund, PPP or market borrowing are proposed*

- Whether complete project cost is linked with revenue sources in SAAP? Please describe?

*After the completion of Water Supply project and installation of Water Meter (Domestic & Bulk) it is expected that there will be increased in revenue by streamlining of user-charges collection.*

- Has projects been dovetail with other sectoral and financial programme of the Centre and State Governments?

*The possibility of dove-tailing Centre and State programme has not been explored. After implementation of some of project the possibilities shall be explored.*

- Has States/UTs explored the possibility of using Public Private Partnerships (PPP), as a preferred execution model? Please discuss.

*The State and ULB's has not explored the PPP model for execution of scheme. The possibilities shall be explored in the next SAAP.*

- Are PPP options included appropriate Service Level Agreements (SLAs) which may lead to the People Public Private Partnership (PPPP) model? How?

*The PPP agreements will include appropriate Service level Agreements which will incorporate feedback from the users/citizens. The focus will not be only asset creation but also on the actual service delivery. Performance based and feedback oriented agreement will lead to the People Public Private Partnership model.*

**Table 5.5: SAAP - Self-Evaluation for Reporting Progress on Reform Implementation for Financial Year 2015-16 (Last financial year)**

The reforms achievement will be measured every year after the end of financial year by allocating 10 marks for each reforms milestone achieved as against the targets set by the MoUD.

S.No	Year	No of milestones	Maximum Score
1	1 <sup>st</sup> year	28	280
2	2 <sup>nd</sup> year	13	130
3	3 <sup>rd</sup> year	8	80
4	4 <sup>th</sup> year	3	30

### Incentive based grant release calculation:

The States will be required to fill the following Self-Assessment Form. Step 1: Fill the following table

S.No	Name of ULBs	Maximum Score possible during the year	Score obtained	ULB Wise
(1)	(2)	(3)	(4)	
1	Itanagar Municipal Council	200	90	
Subtotal ULB				
	State			
1	Arunachal Pradesh	200	90	
Subtotal State				
	Overall	200	32%	

Step 2: Calculate the overall score in percentage obtained by the state (State score plus ULB score).

Step 3: Only those States achieving 70 percent and above overall reform score will be considered for incentive.

Step 4: If the overall score is greater than 70 percent, the incentive amount will be distributed among the states depending upon the number of ULBs that have achieved a score of more than 70 percent in the state.
